

## Meeting of Clerk with Ines Scillitoe, Highways Devon County Council

April meeting    Venue: In and around the Village

Date: 12/05/2026    Time: 10:30 – 11:30

### Points raised: -

1. Grit bins revisited again! – Ines will now order for us and arrange payment and delivery  
**Action Ines**
2. Briton Street verge where lorries drive over the gully - Ines will drop them off at the shop to be collected by Lengthsman. I will liaise with BG                    **Action Ines/Clerk**
3. **Proposed footpath B3212** – Ines spoke to Steve Gardener who is the Public Rights of Way Officer. If it is a gravel path then it can come under this category. If it is then it will be a lifelong commitment and the Council will have to pay to have it removed. The positive side of this is that, once built, Highways will take it over and insure and maintain it. The legal teams from DCC and DNP will have to talk and come up with a contract that will have to be signed by all residents that have driveways crossing the proposed gravel path.  
**Action Clerk:** Update the proposed plan making it obvious that it is a gravel path that is required; send this to Ines; Update DK Dartmoor National Park that site visit not now needed.  
**Action Ines:** Liaise with Devon Rights of Way and distribute the updated proposed gravel path document to all relevant teams; Ines and Nigel Flower (road safety) will drive the route on June 4<sup>th</sup> **Action Ines/Clerk**
4. **Lea Side** - potholes are on a list to be filled
5. Layby by Butts has been filled in for parking space
6. Discussed land around phone box – Ines can identify the owners for us.

Lynne Ogden Clerk to Dunsford Parish Council May 2026

**It is important to keep reporting any potholes that fit the criteria of a defect as these will be dealt with. The Clerk will keep advertising the link to do this.  
For flooding, please allow 24 hours after the rain has stopped, to allow for it to drain away, before reporting.**
