

## Meeting of Clerk with Ines Scillitoe, Highways Devon County Council

September meeting

Venue: In and around the Village.

Weather: Dry

Date: 15/09/2026 Time: 11:15

### Points raised: -

1. Proposed gravel path on B3212 – Ines has received an email from The Environmental Agency and she will forward this on to me. The Clerk made her aware of the residents' meeting that will be taking place in October. She suggested that the Council could get a DNP rep to attend. (?Steve Gardiner who deals with permissive paths) **Action Clerk/Ines**
2. Dips that are not potholes? Dunsford has several of these! 1. By the Village Hall 2. (x2) By Greenbridge junction and a bit further along the road 3. At the bottom of Briton Street Ines will visit the ones by Green Bridge and try to action them. **Action Ines**
3. Reminder – grit bin check **Action Clerk**
4. From last month - Reported signs at Leaside and on the B3212 were not there when checked. A resident has removed these. The Clerk will check where they are and Ines will collect them, next month. **Action Clerk/Ines**
5. Fly tipping – the Clerk has been made aware of an incident on the Fulford Road. Ines confirmed that Highways only get involved when a road has to be closed because of it. If it is on private land, it is the responsibility of the landowner, otherwise there is a dept at Teignbridge that you can report it to and they will deal with it/give advice.
6. Next meeting is 13/10.2026 at 10:30

Lynne Ogden Clerk to Dunsford Parish Council September 2026

It is important to keep reporting any potholes that fit the criteria of a defect as these will be dealt with. The Clerk will keep advertising the link to do this.  
For flooding, please allow 24 hours after the rain has stopped, to allow for it to drain away, before reporting.
